

Valley Fort Rugby Football Club Ltd

Conditions of Membership requiring acceptance by all members

I apply to be a member of the Club. I am the parent and/or legal guardian of the above child. I also apply on behalf of my child for him/her to play rugby and participate in the other activities of the Club, and I undertake to pay the Club's fees in respect thereof. I have read and understand the information and requirements below and agree on behalf of my child to be bound by the provisions as stated therein and by the other rules of the Club.

The Club is a Company Limited by Guarantee and not having a share capital. All members, their families and guests will observe any conditions imposed by the Club, the People's Liberation Army, the Property Management Agents or the Hong Kong Government and its agents for use of the Stanley facilities including any agreements by the Club on its members' behalf with such parties. Details are available from the Club.

As with any contact sport I understand that there is always the possibility of my child being injured. In consideration of the Club allowing my child to participate, I agree on behalf of myself, my child and my child's other parent/legal guardian, who is fully aware of this matter, not to hold the Club or its committee or any coach, officer of the Club or any other person assisting in the Club's activities, responsible for any injury that may be caused to my child for whatever reason whilst playing rugby or participating in the other activities of the Club. I am not aware of any medical condition of my child that would preclude my child's participation in rugby.

I understand it is my responsibility as a parent to ensure that I have the appropriate resources or necessary medical insurance to cover any injury or accident that may occur. I have been made aware that there is only minimal medical cover available, to a child participating in the Club, through the Rugby Football Union and it should not be viewed as an appropriate substitute for my own medical cover.

In the event that my child is injured or requires medical attention and I am not in attendance to arrange for appropriate medical attention I hereby agree to him/her being treated or receiving such attention from a medical practitioner deemed acceptable by any coach or committee member of the Club at my expense. I accept full responsibility for any such medical treatment including any charges that may be incurred.

I understand it to be Club policy that all players **must** wear appropriate mouthguards/gum shields. Although the Club provides mouthguards, the best guards are obtained from and fitted by a dentist. It is my responsibility as parent/guardian to ensure that my child is fitted with an appropriate mouthguard. I understand that players in the U9 age group and above may be refused permission to play in tournaments and/or to participate in training sessions when not equipped with an appropriate mouthguard.
